Montreal Dental Club Membership Application Form

The Montreal Dental Club was founded in 1897 by nine dentists whose main objective was to create a forum for sharing and learning, while seeking solutions to the dental problems of their time.

In keeping with that long standing tradition, membership in the Montreal Dental Club provides you with the opportunity to continually grow your dental knowledge in a professional and friendly atmosphere. Each year, the Montreal Dental Club offers more than thirty required ODQ credits, with a variety of interesting and relevant lectures*.

To become a member, fill out the form below, mail it with a cheque for your membership dues to the address above.

*Please note, all lectures are presented in English
